Course contents

Descrizione diatopica e diastratica dello spagnolo attuale

The course will cover the following topics:

- * Multilingualism in Spain today
- * Features of Andalusian dialectology, Aragonese and Leonese
- * Spanish American
- * Characters of spoken Spanish

The course is complemented by a cycle of Spanish-language practical exercises, with annual progress, providing for a preliminary test of the knowledge gained: successful completion of this test is a necessary condition to be able to take the exam with the teacher. Students who attend at least 70% of the exercises are given the opportunity to support two partial preparatory tests at the end of the first and second semesters (only the second is allowed if the first one is over). Throughout the year, for each requirement with regard to their language learning, students can contact the teacher in charge of the course.
